- **Sustainability:** Prioritizing responsible practices and community benefit.
- **Proactivity:** Anticipating challenges to strengthen the local supply chain.

## ABOUT TAMISA

The Tanzania Mining Industry Suppliers Association (TAMISA) is an established organization dedicated to supporting and empowering local suppliers in Tanzania's mining sector. We work to create a strong network among suppliers, promote local content policies, and foster growth opportunities within the mining supply and services industry.

## WHAT WE DO

- **Connection and Collaboration:** We facilitate connections among suppliers, contractors, and mining companies to maximize growth opportunities.
- **Advocacy:** Representing supplier interests in policy discussions to ensure that Tanzanian suppliers have a fair and competitive landscape.
- **Capacity Building:** Providing training, resources, and events to help our members thrive and stay competitive.
- **Innovation and Sustainability:** Promoting new technologies, sustainable practices, and local skill development.

## DRIVING LOCAL CONTENT FORWARD

Local content involves prioritizing the procurement of supplies and services from Tanzanian businesses in the mining sector. This focus helps ensure that the country's resources benefit local communities, creating jobs, supporting economic growth, and fostering local expertise. TAMISA is dedicated to advocating for policies that put Tanzanian suppliers first, enhance employment, and develop skills among Tanzanian professionals. By advocating for local suppliers, TAMISA supports a stable, inclusive ecosystem that strengthens the entire mining sector.

### OUR OBJECTIVES

- **Policy Advocacy:** Representing suppliers in government discussions to shape fair policies.
- **Trade Facilitation:** Enhancing trade opportunities and connecting suppliers to larger markets.
- **Technology Transfer:** Encouraging sustainable innovations and skills within the local sector.

### MEMBER BENEFITS

- **Representation:** A voice in shaping industry policies.
- **Networking:** Access to exclusive events and connections within the industry.
- **Training and Development:** Programs to build capacity and improve competitiveness.
- **Growth Opportunities:** A platform for expanding business reach and visibility.

Join TAMISA today to access resources, build connections, and contribute to a sustainable, locally driven industry.

“

Under the local content initiative, the mining sector's local procurement contributes approximately TZS 3.1 trillion annually, highlighting its significant role in driving economic growth. While levies have their procedures, the priority is ensuring that a larger portion of this substantial spending remains within Tanzania to maximize its positive impact on local communities and the national economy.”
