Public Statement of Congratulations on the Appointment of Dr Theresia C. Numbi as Commissioner of the Mining Commission.

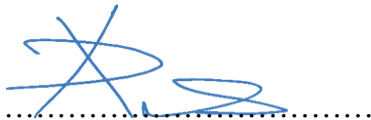

Tanzania Mining Industry Suppliers Association (TAMISA) wishes to extend its heartfelt congratulations to Dr. Theresia C. Numbi on her recent appointment as Commissioner of the Mining Commission.

Dr. Numbi has been a dedicated and valued member of the mining community, having most recently served as Secretary of TAMISA, where her leadership, hard work, insight, and commitment to the growth and integrity of the sector were deeply appreciated.

Her appointment to this critical position is a clear reflection of her competence, professionalism, and deep understanding of the mining industry in Tanzania. We believe under her leadership, the Mining Commission will continue to thrive, inspire positive change, uphold transparency and drive sustainable development of the sector.

TAMISA expresses its full support and looking forward to work closely with Dr. Numbi, the Ministry of Minerals and the Mining Commission to advance the goals of responsible and inclusive mining in our country.

We once again congratulate Dr. Numbi and wish her great success in this important role.

Peter Andrew Kumalilwa
